

Wood Coating Solutions

Imron® Industrial 2K Polyurethane

Imron Industrial offers a complete coating system for the most demanding specifications.

Designed for durability, Imron's 2K polyurethane coatings are ideal for environments where surfaces face heavy wear and exposure to harsh chemicals. With outstanding chemical and physical resistance, these coatings offer long-lasting protection and performance.

Available in a wide range of sheens, both clear and pigmented, Imron Industrial's portfolio includes advanced polyurethane and acrylic solutions tailored to your specific application needs.

Known for nearly 50 years of trusted quality and proven results, Imron continues to set the benchmark in industrial coatings.

All the Benefits you Need:

- Formaldehyde free
- Low odor
- Fast drying
- Easy sanding
- High build/high solids
- Excellent flow and leveling
- Surpasses KCMA standards

Key Attributes:

- Ease of Use
- Intensely durable
- Versatile
- Excellent chemical and abrasion resistance
- Unrivaled beauty

Perfect For:

- Kitchen/Bath Cabinetry as desired
- Tables
- Office Millwork/Fixtures
